

NIC PDF TOOL

(An Online PDF Tool Converter)

Application url:

<https://nicpdftools.nic.in>

Product Introduction ::

- NIC Pdf tool is an web based converter application designed and developed for working on pdf's/images file formats conversions instead of relying upon third party online converter tools.
- The application is Parichay (SSO Login) Integrated and ensures document conversions confidentiality and uploaded files are not retained anywhere on the server.
- Users having Email Id domains of [at]nic[dot]in or [at]gov[dot]in have access.

Features Includes::

- **Split Pdf File**

In Split Pdf feature, One has to upload a single pdf file and It Prompts for fixed no of pages to split into each split file and finally spilt files are downloaded as a zip file.

- **Merge Pdf Files**

One has to upload multiple Pdf files to be merged at once and the files are merged as per alphabetical order of the file names.

- **Pdf to Word Convert**

Converts the uploaded Pdf file to Word Format. Currently only supports Basic English Fonts.

Features Contd..

- **Image(s) to Pdf Convert**

Converts Uploaded Single/Multiple Image Files to Pdf file. File formats include png, jpeg/jpg.

- **Compress Pdf**

This reduces the size of uploaded PDF document

- **Extract Pages from Pdf**

Extracts Particular Page or range of pages from the uploaded single pdf file

Features Contd..

- **Protect Pdf**

Protect the uploaded single pdf file with a password for sharing or locking file

- **Unlock Pdf**

Unlocks the uploaded protected pdf file (pdf file protected by password using NIC pdf tool only) by the removing the protected password in it.

- **Compress Images**

This reduces the size of uploaded Image File

Application Main Page

About

Log In

- For ease of user on-boarding , PDF Tools has now been integrated with NIC Single Sign-On Platform (Parichay)
- Now, all the users having NIC Email address (i.e. abc[dot]xyz[at]gov[dot]in, xyz[dot]abc[at]nic[dot]in) will be authenticated through Parichay(SSO).

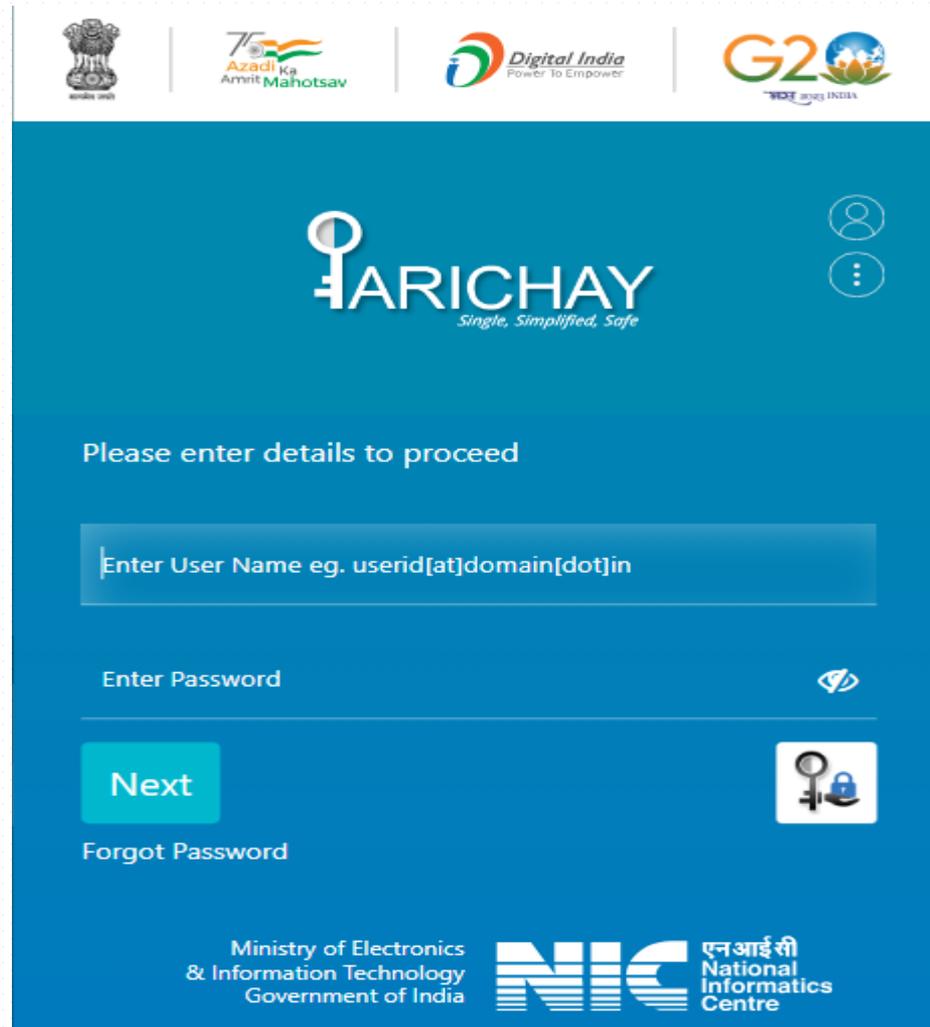

Login with Parichay(SSO)

You can send your suggestions/feedback to [support\[hyphen\]pdftools\[at\]nic\[dot\]in](mailto:support[hyphen]pdftools[at]nic[dot]in)

Parichay Authentication

Redirects to Login Through Parichay (SSO Login)

using
@gov.in
or
@nic.in
eMail-Ids

The screenshot shows the Parichay login interface. At the top, there are logos for the Government of India, 75 Azadi Ka Amrit Mahotsav, Digital India (Power To Empower), and G20. The main header features the Parichay logo with the tagline "Single, Simplified, Safe" and a user profile icon. Below the header, the text "Please enter details to proceed" is displayed. There is a text input field for the user name with the placeholder "Enter User Name eg. userid[at]domain[dot]in". Below this is a password input field with the label "Enter Password" and a visibility toggle icon. A prominent "Next" button is located below the password field, accompanied by a key and lock icon. A "Forgot Password" link is positioned below the "Next" button. At the bottom of the page, the Ministry of Electronics & Information Technology, Government of India, and the NIC National Informatics Centre logo are displayed.

After Parichay Authentication

यह सुनकर मगरमच्छ बोला की मैं एक पत्थर हूँ। इससे सभी जानवरों को पता लग गया की यह एक मगरमच्छ है। चीकू खरगोश ने मगरमच्छ को कहा की तुम इतना भी नहीं जानते की पत्थर बोला नहीं करते। इसके बाद सभी जानवरों ने मिलकर उस मगरमच्छ को उस झील से भगा दिया और खुशी खुशी रहने लगे।
